

# ChangeUp and Third Sector Update

Communities of Cheshire Partnership  
January 2008

Alison Roylance-White  
CEO, Cheshire Community Council

## ChangeUp

### Vision

Our vision is for a voluntary and community sector that is sustainable and flourishing, that will deliver quality services to communities of interest and of place at the point of need.

### Mission

To develop infrastructure services which are visionary, responsive and accountable providing sustainable quality support fully accessible across the sub-region.

This will be done by the Cheshire and Warrington infrastructure organisations co-ordinating their activities and improving their efficiency and effectiveness.

# Consortium Objectives

1. To improve collaboration in delivery and planning of infrastructure support services.
2. To improve synergy among different providers so that services are inclusive, responsive and cover all the appropriate areas of the sub-region
3. To increase access to support services for frontline groups and to ensure this is communicated effectively.
4. We will deliver improved workforce development opportunities across the sub-region.
